

1st To Fight: Earth At War - The Unstoppable Force of the US Marine Corps

From the shores of Tripoli to the battlefields of Iraq and Afghanistan, the United States Marine Corps has been at the forefront of every major conflict in American history. In *1st To Fight: Earth At War*, military historian James M. McPherson tells the epic story of the Marines' storied past, from their humble beginnings as a small detachment of riflemen to their rise as one of the world's most elite fighting forces.

McPherson traces the Marines' evolution from their early days as a small detachment of riflemen to their transformation into a full-fledged fighting force during the War of 1812. He recounts their heroic exploits in the Mexican-American War, the Civil War, and the Spanish-American War, and their crucial role in the Pacific Theater during World War II. He also

examines the Marines' involvement in more recent conflicts, such as the Korean War, the Vietnam War, and the Gulf War.

1st To Fight: Earth At War is a gripping account of the Marines' rich history and unwavering commitment to defending the United States. McPherson's vivid prose and meticulous research bring to life the stories of the Marines who have fought and died for their country. This book is a must-read for

anyone interested in military history, the Marine Corps, or the history of the United States.
