\* Loyalty \* Duty \* Respect \* Selfless Service \* Honor \* Integrity \* Personal  
Courage

These values are not just words; they are the principles that soldiers live by. They define the character of the Army and its soldiers, and they ensure that the Army remains a force for good in the world.

## **The Army Ethic**

The Army Ethic is a set of principles that guide soldiers in their conduct both on and off the battlefield. The Army Ethic is based on the Army Values, and it requires soldiers to:

\* Be loyal to the Army and the United States \* Perform their duties with honor and integrity \* Treat others with respect \* Be selfless in their service

The Army Ethic is not just a code of conduct; it is a way of life for soldiers. It is what makes the Army a unique and respected institution, and it is what sets soldiers apart from the rest of society.

## **The Army Responsibilities**

The Army has a number of responsibilities, including:

\* Defending the United States against its enemies \* Providing humanitarian assistance \* Promoting peace and stability around the world

The Army takes these responsibilities very seriously, and it is committed to fulfilling them in a professional and ethical manner.

## **The Importance of the ADRP on The Army Profession**

The ADRP on The Army Profession is essential reading for all soldiers because it provides a comprehensive overview of the Army's values, ethics, and responsibilities. This knowledge is essential for soldiers to be able to make sound decisions and act in a professional manner in all situations.

The ADRP on The Army Profession also helps to build esprit de corps among soldiers. By understanding the Army's values and ethics, soldiers can better appreciate the importance of their service and the sacrifices that they and their families have made. This sense of camaraderie and shared purpose is essential for the Army to be successful in its mission.

The Army Doctrine Reference Publication (ADRP) on The Army Profession is a vital resource for all soldiers. It provides a comprehensive overview of the Army's values, ethics, and responsibilities, and it helps soldiers to understand their role in the Army and the world. The ADRP on The Army Profession is essential reading for all soldiers who want to be successful in their careers and make a positive contribution to the Army and the nation.

## **Call to Action**

If you are a soldier, I encourage you to read the ADRP on The Army Profession. It is a valuable resource that will help you to be a better soldier and a better citizen.

If you are not a soldier, I encourage you to learn more about the Army and the Army Profession. The Army is a great organization that makes a positive difference in the world, and it is always looking for good people to join its ranks.
