However, the following season, the Wolves underwent a remarkable transformation. Under the guidance of new coach Steve Price, they won

the Challenge Cup and finished third in Super League. And in 2019, they went one better, winning the Super League Grand Final.

### **How did Warrington Wolves do it?**

There are many factors that contributed to Warrington Wolves' success. One was the arrival of new players, such as Gareth Widdop, Daryl Clark and Blake Austin. These players brought experience and quality to the team.

Another factor was the development of the club's young players. The likes of Jake Mamo, Josh Thewlis and Ben Currie all played a key role in the Wolves' success.

But perhaps the most important factor was the leadership of Steve Price. Price is a passionate and demanding coach who has a knack for getting the best out of his players. He created a winning culture at Warrington Wolves, and his players responded by giving their all on the pitch.
