Excerpt from Strawberry Panic Light Novel: Sakurako Kimino

"I never thought I would meet someone like you, Aoi," Shizuma said, her voice soft and filled with emotion. "You're so different from everyone else I've ever known. You're kind, and you're always looking out for others. You make me want to be a better person."

Aoi blushed and looked away. "You're too kind, Shizuma," she said. "I'm not as special as you think I am."

"Yes, you are," Shizuma insisted. "You're the most special person I know."

The two girls sat in silence for a moment, the sound of the wind rustling through the leaves around them. Aoi could feel Shizuma's gaze on her, and her heart began to race.

"Shizuma," Aoi said finally. "I..."

Before she could finish her sentence, Shizuma leaned forward and kissed her. Aoi's eyes widened in surprise, but she quickly closed them and kissed her back.

The kiss was soft and sweet, and it filled Aoi with a sense of warmth and happiness. She had never felt this way about anyone before, and she knew that she had fallen deeply in love with Shizuma.
