

Joint Publication JP 25: The Essential Guide to U.S. Military Doctrine

Joint Publication 25 (JP 25) is the essential guide to U.S. military doctrine. It provides a comprehensive overview of the principles and concepts that guide the planning and execution of military operations. JP 25 is essential reading for all military personnel, from the newest recruit to the most senior officer.

What is Military Doctrine?

Military doctrine is the body of knowledge that guides the planning and execution of military operations. It is based on the lessons learned from past wars and conflicts, and it provides a common understanding of how the military will fight. Military doctrine is not static, but rather evolves over time as new technologies and tactics are developed.

The Principles of War

The principles of war are the fundamental truths that guide military operations. These principles include:

- The objective
- The offensive
- The defensive
- The unity of command
- The economy of force
- The maneuver
- The mass
- The surprise
- The security

Operational Art

Operational art is the art of planning and conducting campaigns. It is the bridge between strategy and tactics, and it involves the coordination of all the elements of military power to achieve a specific objective.

Tactics

Tactics are the methods used to fight battles. They involve the employment of specific weapons and units to achieve a specific objective.

Strategy

Strategy is the art of planning and conducting wars. It involves the coordination of all the elements of national power to achieve a specific political objective.

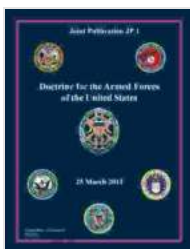

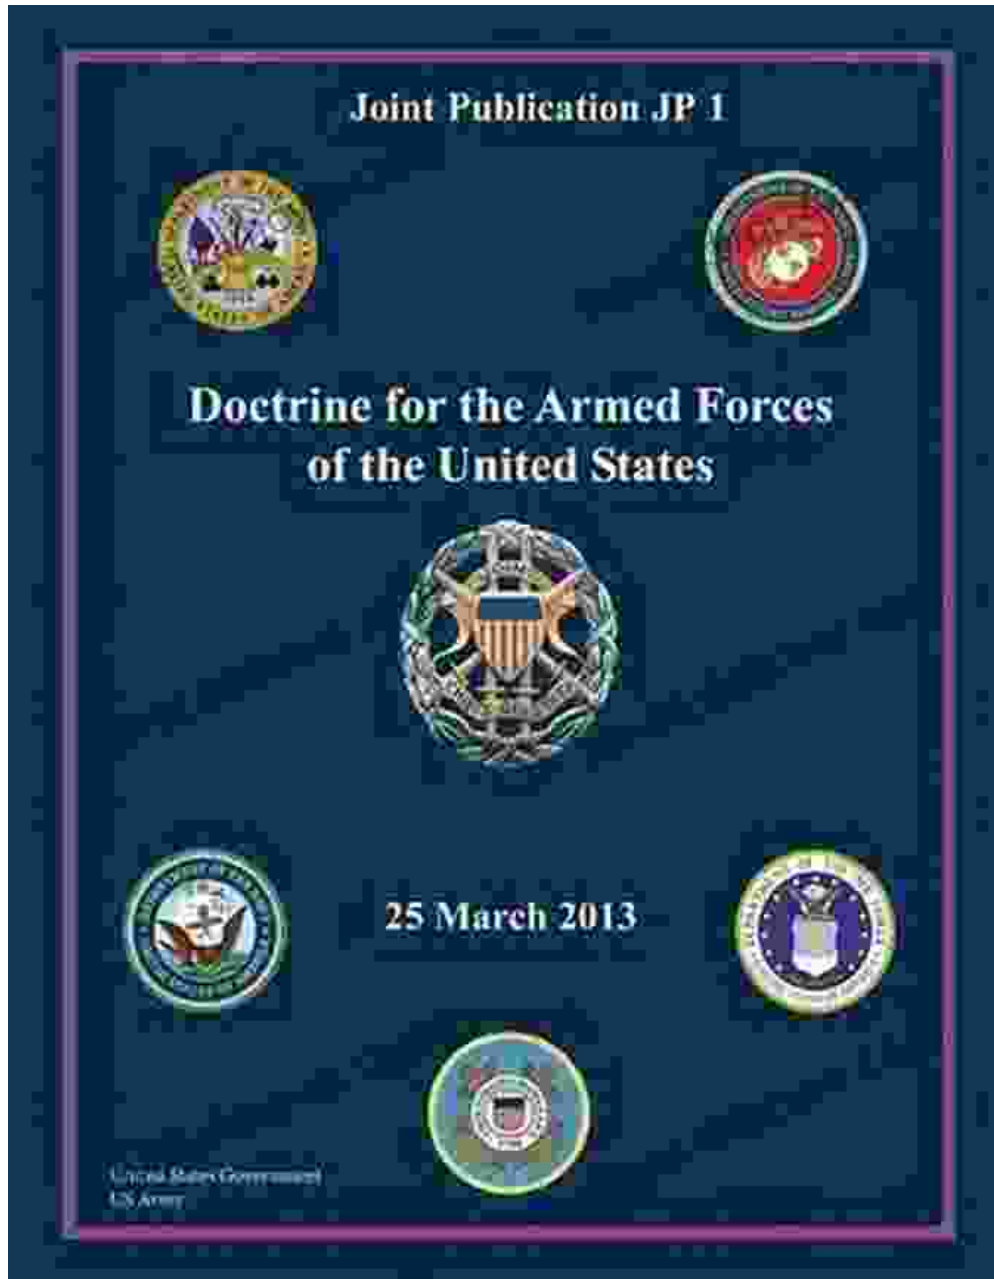

How to Use JP 25

JP 25 is a valuable resource for military personnel at all levels. It can be used to:

- Understand the principles of war
- Plan and conduct military operations
- Train and educate military personnel
- Develop new military doctrine

Joint Publication 25 is the essential guide to U.S. military doctrine. It is a valuable resource for military personnel at all levels, and it is essential reading for anyone who wants to understand the planning and execution of military operations.
