Joint Publication JP 40: Joint Counter-Weapons of Mass Destruction (C-WMD) is a joint command and control publication designed to provide guidance on how to conduct joint C-WMD operations. This publication is intended for use by all members of the U.S. Department of Defense (DoD) who are involved in C-WMD operations, including combatant commanders, joint task force commanders, and component commanders.

Purpose

The purpose of this publication is to provide a common understanding of the principles, doctrine, and procedures for conducting joint C-WMD operations. This publication is not intended to be a comprehensive manual on all aspects of C-WMD operations, but rather to provide a framework for the planning and execution of such operations.

Scope

This publication applies to all DoD personnel who are involved in C-WMD operations. This includes personnel from the following organizations:

- Office of the Secretary of Defense
- Joint Staff
- Combatant Commands
- Joint Task Forces
- Component Commands

Contents

This publication is divided into five chapters:

- 1.
2. Principles of C-WMD Operations
3. Doctrine for C-WMD Operations
4. Procedures for C-WMD Operations
5. Command and Control for C-WMD Operations

Availability

This publication is available online at the following website:
