In *Sewer Rats*, the latest installment in the *Orca Currents* series, four courageous kids—Maya, Josh, Sam, and Amina—uncover the secrets that lurk beneath the city.

Maya, a curious and resourceful young girl, is the first to discover the hidden entrance to the sewer system. She shares her discovery with her friends, Josh, a tech-savvy boy; Sam, a strong and athletic boy; and Amina, a smart and compassionate girl.

Together, the four friends embark on an adventure that will change their lives forever. They navigate the dark and treacherous tunnels, dodging rats and other dangers. They uncover hidden chambers and secret passages. And they learn about the history of the sewer system and the people who live there.

As they explore, Maya, Josh, Sam, and Amina discover that the sewer system is more than just a place to dispose of waste. It is a home to a diverse community of people, including homeless people, artists, and activists.

The kids learn about the challenges that these people face, and they are inspired to help. They organize food drives, create art projects, and advocate for policies that will improve the lives of the people who live in the sewers.

Sewer Rats is a thrilling adventure story that will keep readers on the edge of their seats. It is also a story about friendship, courage, and compassion. It is a story that will inspire readers to look beyond the surface and see the beauty and resilience that can be found in even the most unexpected places.

About the Author

Sigmund Brouwer is the author of the Orca Currents series, a collection of adventure stories for young readers. He has also written several other books for children and adults, including the novels *The Last Safe Place* and *The Lighthouse Keeper's Daughter*.

Brouwer is a passionate advocate for children's literacy, and he has visited schools and libraries across the country to talk about his books and inspire young readers.
